

# SHAPING THE FUTURE OF BENGE O

**Bengeo Neighbourhood Area Plan community meeting  
Saturday 24 June 2017, Bengeo Primary School, start 4 pm**

Hertford Town Council, the Bengeo Neighbourhood Area Plan Steering Group and local Residents' Associations would like to invite the community of Bengeo to participate in creating a neighbourhood area plan for Bengeo.

Attend this first community meeting to find out how Bengeo Neighbourhood Area Plan can influence where you live and work, and to have your say on:

- future residential development
- countryside and open spaces
- roads, cycleways, and parking
- shops, community centres, health provision
- heritage and culture
- anything else you think is important.

This is an important, long-term community project that will shape the future of Bengeo and local knowledge and expertise provided by the local community will be critical to its success.

Residents, businesses and local organisations - please come along to the meeting to share your views and find out how you can get involved!
