

ORDER A LOVE BENGEO BAG OR POSTCARDS

The Stop BengEO Quarry campaign continues to strengthen its case before the Hertfordshire County Council Development Control Committee considers the quarry proposal in September/October. We want to convince the Committee that the application for a gravel quarry on BengEO Field should be rejected.

To make our opposition as effective as possible we would benefit greatly from the expert advice of senior planning consultants, which is why we are raising funds. We simply don't want to miss anything in this process that could make our case less strong. At the moment we have these funding initiatives that you may want to support:

LOVE BENGEO BAG - Cost £4 each

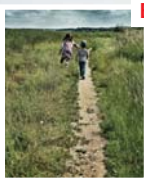

Lovely canvas bags (natural cotton) with our 'Love BengEO' logo for sale - perfect for shopping instead of paying for a carrier bag each time.

POSTCARDS - Cost 50p each

Beautiful postcards of the winning photos of our BengEO Field photo competition.
